Newsletter

for parents bereaved of an only child
or all their children

Summer 2022

Dear Parents

We are sorry that there is no **Newsletter for parents who are bereaved of their only child or all their children** to send to you this quarter. Sadly we were unable to find an editor for the Summer 2022 Newsletter and so we could not produce the publication this time.

If you would be interested in taking on the role of Newsletter editor, being part of an editorial team, or perhaps 'guest' edit a one-off edition please do get in touch. Your newsletter is always edited by bereaved parents who have lost their only child or all their children and aims to gather and share information about parental bereavement and grief, reduce isolation and offer mutual support. Reading about the experiences of others can help us know we're not alone.

Please do contact **Carolyn** at info@tcf.org.uk if you would like to volunteer as editor, co-editor or a guest editor or even just explore being involved. Thank you.
