

The Memorial Books List

This is a list of books which are needed for the library and which you might like to buy and dedicate to your child. I would recommend that you have a look at one or two of the books we already have to see what this looks like. I can send them to you if you Email me on libray@tcf.org.uk. If you have read any books which you think would be good for our library please let me know and we could probably obtain that and dedicate it to your child.

Best wishes from
